Active is the most important word in our vocabulary. It doesn't just describe how we manage portfolios at Allianz Global Investors. It defines our entire approach as a business, from the enthusiasm and entrepreneurial spirit of our employees, to our self-critical assessment of performance. Active is how we **create and share value** with clients. We believe in solving, not selling, and in adding value beyond pure economic gain. We invest for the long term, employing our innovative investment expertise and global resources.
