

IPC - Internationale Projekt Consult GmbH

Working Student (f/m/d)

IPC - Internationale Projekt Consult GmbH (www.ipcgmbh.com) is a provider of advisory services to financial institutions and education providers in transition economies and developing countries. Our activities are concentrated on three main areas: Development Finance, Environment and Energy, and Training and Skill Development. Our most important partners and clients include KfW, EBRD and GIZ, as well as regional development banks and local commercial banks.

For our Green Finance team, supporting financial institutions worldwide in the area of mitigation and adaptation finance as well as in environmental management aspects, we are currently looking for a:

Working Student (f/m/d)

Location: IPC Head Office in Frankfurt am Main

Your tasks

You will support the Green Finance team in the implementation of green/climate finance projects and Environmental and Social Management Systems (ESMS), particularly in financial institutions. Your responsibilities will include:

- supporting the development of Environmental and Social risk Management tools
- supporting the implementation of Environmental and Social Management Systems in the financial sector
- conducting research support tasks (e.g. interviews, data collection and analysis, etc.) during project acquisition and implementation
- conducting research on current affairs, events and news in the field of climate change and environment
- maintaining and further developing current data bases for our clients (mainly environmental data)

Your profile

You are very much interested in development co-operation, climate change related-topics and environment, and have the following qualifications:

- Master student in environmental science or environmental engineering
- experience in the field of environmental climate change mitigation or adaptation
- willingness to deepen understanding in the field of environmental impact assessments and/or implementing Environmental and Social Management Systems
- working experience in either consultancy or financial sector would be advantageous
- very good command of Microsoft Office programmes, in particular Excel and PowerPoint
- excellent command of English, other relevant languages (e.g. French or Spanish) are a plus

IPC offers interesting and challenging work which requires a pragmatic approach, the desire to work efficiently in an interdisciplinary team and the assertiveness needed to get difficult jobs done right.

Interested? Then we look forward to receiving your application (Brief motivation letter and CV in English), subject: "**Working Student (f/m/d)**" by e-mail by 09 December 2022:
