IQVIA**

IQVIA (NYSE:IQV) is a leading global provider of advanced analytics, technology solutions, and clinical research services. IQVIA™ is The Human Data Science Company™, focused on using data and science to help healthcare clients find better solutions for their patients. IQVIA offers a broad range of solutions that harness advances in healthcare information, technology, analytics and human ingenuity to drive healthcare forward. With approximately 79,000 employees, IQVIA conducts operations in more than 100 countries.

The healthcare environment is rapidly evolving. Scientific advances are accelerating, and technology is enabling new levels of progress. Today, the industry has more data and information at its fingertips than ever before.

IQVIA Connected Intelligence™ is our approach to helping customers drive healthcare forward in this challenging, fast-paced environment. Our capabilities create solutions across all aspects of healthcare through its analytics, transformative technology, big data resources, and extensive domain expertise. By making intelligent connections between our customers' needs, our capabilities, and the evolving healthcare ecosystem, we help customers accelerate results, improve patient outcomes, and unleash new opportunities.

IQVIA sells its services to companies in life sciences, including pharmaceutical companies, biotechnology companies, device, and diagnostic companies, and consumer health companies, account for the majority of IQVIA's revenues. Nearly all of the top 100 global pharmaceutical and biotechnology companies, measured by revenue, are clients, and many of these companies subscribe to reports and services in many countries. Other clients include payers, governments and regulatory agencies, providers, pharmaceutical distributors, and pharmacies.

At IQVIA you will have the opportunity to work in a multicultural, collaborative, and flexible environment. You will get the chance to join an organization that has been named to FORTUNE's 2022 List of "World's Most Admired Companies," Ranked #1 in Health Care: Pharmacy and Other Services, additionally ranked among the TOP 3 Healthcare Consultancy firms in Europe by Vault Ranking, and awarded Frost & Sullivan's 2018 Global Enterprise Quality Management Solutions for Life Sciences Product Leadership Award.
